209.   The survey, shared by YouTuber Lossy (via VGC), asks
Battlefield fans a series of questions, gauging their interest - from "not at
all interested" to "extremely interested" - in seeing a variety of features in
the next Battlefield game. Some of the features mentioned in the questions
include a free-to-play game mode; map updates, such as the "existing map
changing part of its components"; a Battle Pass with a "progression system to
unlock cosmetic content in a free and a premium line"; and a Guild/Clan system
allowing players to "invite or join a group of up to 100 people to help connect
and play with them through features like Clan chat, Clan challenges, Clan stats
etc.)". A free-to-play mode is probably one of the more interesting features
mentioned in the survey, especially as leaker TheLongSensation (AKA Tom
Henderson) has previously claimed that DICE has had a Battlefield Battle Royale
in the works at some stage, suggesting the studio wants to create their own
version of Activision's successful free-to-play Call of Duty: Warzone.
Unfortunately, a survey isn't really any kind of definitive confirmation of
what we'll see in Battlefield 6 when it launches and while it's possible the
responses to these questions could help EA and DICE shape plans for the future,
Battlefield 6 is still something of a mystery.↵
